Tournament Rules:

- Please do not hang on the net at any time (portable nets tend to collapse if you do)
- Please chase your own balls quickly so they do not go into the water
- Please be at the court 2 minutes before your game or duty is to start (we will roll on/off)
- Check COURT NUMBER and COURT TIME

Some modified beach rules:

- A block is considered one of your contacts
 - If an attacked ball touches your block, you have two more contacts to play the ball over the net
- You cannot “tip” the ball
 - If you attack the ball with one hand, you must strike the ball to play it over the net
- You cannot “screen” an opposing receiver while your team is serving
 - If you are receiving and you are being screened, please ask your opponent politely to move
- Teams switch sides of the court when the combined score is a multiple of 7
 - i.e 4-3 (7 total points), 12-9 (21 total points), 21-21 (42 total points), etc.
- You do not need to “rotate” – players may stay in any position
 - However, you must rotate your servers sequentially and maintain that order
- Otherwise, the rules will remain the same as indoor rules

Game format:

- One set to 40 points or 20 min, whichever comes first
 - The first team to forty points wins: you do not need to win by two points
- When the whistle blows to mark the end of twenty minutes:
 - If the ball is already in play, you will play out the point
 - If the ball is not already in play, there will be no more serves

Tournament format:

- To determine placing in a pool, wins count before total points
- However, if there are two teams tied in wins, total points scored over all of your games will count towards final placing in the round robin
- There will be final games to determine overall placing
 - These will consist of one game to 40 points or 20 minutes, whichever comes first
 - The first team to forty points will win: you do not need to win by two points

Duty Teams’ Responsibilities:

- Refereeing the game
- Keeping and announcing the score
- BRING scoresheets to coordinator immediately after games

Disputes:

- Please do not dispute with the duty teams
- If there are any disputes that cannot be solved by the duty teams, notify the tournament organiser
